HANDED OVER

TAKEN OVER

(Authorized KI IDC official)

(Contractor/Authorized person)

Note:

- Handing over the site in this context would imply making available the site for the contractor or his agent etc. to ensure the site and carry on the work entrusted to them.
- This does not mean an occupancy right in the normally accepted sense of work.
- In respect of execution of work, the contractor's right of entry to the site and carrying on the work should be so exercised as not to cause hindrance or disturbance to the existing buildings or occupants thereof.
- The contractor should vacate the site and clear all the material, labour, machineries etc. on completion of the work and before handing over.
