NOTE

1. Handing over the site in this contract would imply making availing the site to contractor, his agent, workmen etc to enter the site and carryout the work entrusted to him.
2. This does not mean an occupancy right in the normally accepted sense of word.
3. In respect of maintenance work and works of addition and alteration to the existing structure, the contractors right to entry to the site and carrying out the works should be exercised and not to cause hindrance or disturbance to the existing structure or occupants thereof.
4. The contractor should vacate the site and clear off all debris etc on completion of the work or when the contract terminated.
